

Corporation obtaining approval, the name of its representative, and the address of its main office

National Institute of Agrobiological Sciences

Masaki Iwabuchi, President

2-1-2 Kannondai, Tsukuba, Ibaraki

Approved Type 1 Use Regulation

Name of the type of Living Modified Organism:	Semidwarf rice ( <i>OsGA2ox1</i> , <i>Oryza sativa</i> L. ) ( G-3-3-22 )
Mode of the Type 1 Use of Living Modified Organism:	Cultivation in isolated field, storage, transportation, disposal, and acts incidental to them.
Method of the Type 1 Use of Living Modified Organism:	<p>Location: 2-1-2 Kannondai, Tsukuba, Ibaraki</p> <p>Name: Isolated field, National Institute for Agro-Environmental Sciences</p> <p>Period of evaluation: From June 2004 to March 2005</p> <p>1. Facilities of the isolated field</p> <p>(1) Security fence to prevent entry of unauthorized persons</p> <p>(2) Prominent notice board indicating that the area is off limit for unauthorized persons and including the name of the responsible person.</p> <p>(3) Wash area to wash out soil from machinery, equipment, and footwear used in the area.</p> <p>(4) Forest windbreak that reduces dispersion of pollen.</p>

	<p>2. Operation procedures in the isolated field</p> <ol style="list-style-type: none"><li>(1) Suppress to the lowest extent possible the growth of plants other than recombinant rice or the control rice.</li><li>(2) Prevent spillage of recombinant rice seeds when recombinant rice is transported or stored outside the isolated field.</li><li>(3) In cases other than (2), inactivate recombinant rice in the isolated field after completion of cultivation.</li><li>(4) Prevent the transport of recombinant rice that is attached to machinery or equipment used.</li><li>(5) Maintain the facility so that it can adequately function.</li><li>(6) Ensure personnel compliance with paragraphs (1) through (5) when implementing Type I Use.</li><li>(7) When risk of an adverse effect on biological diversity is detected, ensure implementation of measures stipulated in the attached “emergency measures plan”.</li></ol>
