1.Information on survey course

The columns with * should be filled in every time a survey is conducted, while other columns filled in at the first survey.

* Name of survey course:
(Put a name in cases where no name is written on the map sent)

* Number of survey course:
(Enter the number described on the map sent)

* Name of survey representative:

* Names of survey participants:

Address of survey course: Prefecture: Municipality:

Course information (Fill in once either in the breeding season or wintering season. Also, you need to fill in when any change is made.)

Environment (choose one)	Forest / Grassland	
Geography (choose one)	Mountain / basin / hill / plain	
Terrain (multiple answers allowed)	Ridge / slope / valley / river / lake and marsh / coast	
Area (fill in only in case of isolated forest or grassland)		ha
Designation of protection area	National Park, wildlife protection area, temporarily closed hunting area, hunting prohibited area, no designation, unknown, other ( )	

Outline of course (Fill in either Forest course or Grassland course depending on the environment)

◆ Forest course (Fill in once either in the breeding season or wintering season. However, fill in information on accumulated snow in the wintering season.)

Plant	1	2	3
Tree height	Under 0.5 m, 0.5-2 m, 2-5 m, 5-10 m, 10-15 m, over 15 m		
~~Accumulated snow~~	~~Full accumulated snow (10 cm, 10-30 cm, over 30 cm), partial accumulated snow, no accumulated snow~~		

* ◆ Grassland course (Fill in every time a survey is conducted. However, fill in information on accumulated snow in the wintering season.)

Plant	1	2	3
Vegetation height	Under 0.5 m, 0.5-2 m, 2-5 m, 5-10 m, 10-15 m, over 15 m		
~~Accumulated snow~~	~~Full accumulated snow (10 cm, 10-30 cm, over 30 cm), partial accumulated snow, no accumulated snow~~

3. Sheet for attaching photos of survey site (please take photos of both the breeding season and the wintering season)

Name of survey course: Number of survey course: ( )

Name of survey representative:

Site A Date of photo: YYYY/MM/DD

Site B Date of photo: YYYY/MM/DD

Site C Date of photo: YYYY/MM/DD

Site D Date of photo: YYYY/MM/DD

Site E Date of photo: YYYY/MM/DD

4.Remarks on survey and message

Name of survey course: Number of survey course: ( )

Name of survey representative:

Please write down any bird worthy of special mention observed near the survey course outside the survey time

Please write down anything worthy of special mention about survey course environment and birds confirmed.

If you have any message to the Secretariat, please describe here.
